Flying Fisherman®'s San Carlos Has You Covered

Islamorada, Florida Keys – July 2013. The **San Carlos** is a stylish new addition to Flying Fisherman®'s 2014 Action Angler Eyewear Collection. The medium-fit polycarbonate frame offers lightweight, wrap around protection designed for serious fishability. "The **San Carlos** is extremely lightweight and comfortable, great looking and totally functional. We expect it to be a top seller for 2014", said Linda Sheldon, Flying Fisherman VP.

Available this fall, the **San Carlos** will be offered in four frame and lens color options – Matte Black/Smoke, Matte Black/Smoke-Blue Mirror, Matte Tortoise/Amber and Matte Tortoise/Amber-Green Mirror – all with Flying Fisherman®'s Polarized, AcuTint™ lens coloring system that eliminates glare and enhances color contrast, without distorting natural colors. The enhanced visual sharpness and eye comfort adds to fishing productivity and maximizes the overall outdoors experience for anglers and water sports enthusiasts. MSRP is from \$21.95 to \$29.95.

More information on Flying Fisherman® products, along with testimonials, dealer locator and more, are available at www.flyingfisherman.com.
