## **Flying Fisherman® Adds Cay Sal to Master Angler Series**

*Islamorada, Florida Keys* – New for 2015, the **Cay Sal's** large wrap frame design combines hard core functionality with stylish good looks that has you covered on or off the water. Durable TR90 frames provide a solid foundation with the durability anglers demand, and feature non-slip nose and temple pads, virtually indestructible, RhinoLenses™ for complete eye protection from flying hooks, lures, sinkers and more, and the Flying Fisherman® AcuTint™ lens coloring system for crystal clear polarized optics. Frame colors are Matte Black with amber or smoke AcuTint™ lenses or Matte Black with Icy Blue Revo Mirror over smoke lens or Matte Black frames with a Green Revo mirror treatment over amber lenses. A microfiber case is included, and MSRP is from \$69.95 to \$79.95.

The Flying Fisherman® Polarized, AcuTint™ lens coloring system eliminates glare and enhances color contrast, without distorting natural colors. The enhanced visual sharpness and eye comfort adds to fishing productivity and maximizes the overall outdoors experience for anglers and water sports enthusiasts. More information on Flying Fisherman® products, along with testimonials, dealer locator and more, are available at [www.flyingfisherman.com](http://www.flyingfisherman.com).
