

# THE **Fisherman**

MARCH 2016

## **FLYING FISHERMAN TRITON SUNGLASSES**

The new Triton's large fit wrap glasses feature durable TR90 frames, paired with shatterproof polarized RhinoLenses for complete eye protection. Exclusive AcuTint lens coloring system offers crystal clear polarized optics, making them ideal for sight fishing the shallows or navigating around shallows and sand bars. Reasonably priced from \$69.95 to \$79.95. [www.flyingfisherman.com](http://www.flyingfisherman.com).
