## **New Camo Additions to Flying Fisherman's® Action Angler Series**

*Islamorada, Florida Keys* – New for 2016, Flying Fisherman Glades sunglasses have you covered in the woods or on the water in super lightweight, semi-rimless matte camo frames. The Glades have a medium fit and are available in Acutint™ Smoke or Amber lenses. MSRP is \$24.95. The Flying Fisherman® Polarized, AcuTint™ lens coloring system eliminates glare, enhances color contrast and visual sharpness, adds to fishing productivity and maximizes the overall outdoors experience for anglers and water sports enthusiasts. “We’re excited to offer camo frame colors... many of our customers spend a great deal of time in the woods, as well as on the water” said Bobby Vaughn, Flying Fisherman account manager.

A new camo color is also available for an existing style from the Action Angler Series. This fall, the Buchanan will be available in a Camo frame with Acutint™ Smoke and Amber lenses.
